

# NEW TUTOR-PHC Program

Transdisciplinary Understandings and Training on Research – Primary Health Care

TUTOR-PHC is a **one-year, national** interdisciplinary research capacity building program that has been training primary health care researchers from **family medicine, nursing, psychology, epidemiology, social work, education, policy and many other disciplines** since 2003.

## Mentor Team

**Moira Stewart, PhD, PI**  
Lesley Bainbridge, PhD  
Marie-Dominique Beaulieu, MD  
Judith Belle Brown, M.S.W., PhD  
Fred Burge, MD, MSc  
Lisa Dolovich, PharmD  
Martin Fortin, MD, MSc  
Marshall Godwin, MD, MSc  
Johanne Goudreau, PhD  
Jeannie Haggerty, PhD  
Stewart Harris, MD, MPH  
Anita Kothari, PhD  
Ruth Martin-Misener, RN-NP, PhD  
Liz Quinlan, PhD  
Vivian Ramsden, RN, PhD  
Graham Reid, C.Psych, PhD  
Carol Stalker, PhD  
Tara Sampalli, PhD  
Amanda Terry, PhD  
Amardeep Thind, MD, PhD  
Roanne Thomas, PhD  
Evelyn Vingilis, PhD  
Sabrina Wong, RN, PhD

Université de Montreal  
University of British Columbia

## What is TUTOR-PHC?

This innovative curriculum of the **one-year certificate program** in primary health care research skills and interdisciplinary theory & processes includes:

- An on-site Symposium in the Spring of 2015
- Two 3 week online research skill development workshops
- Two 7-8 week online interdisciplinary discussion groups
  - Fall:** present your own research project and receive interdisciplinary feedback
  - Winter:** work with an interdisciplinary team to create a research proposal

**NEW this year:** other online offerings with open registration to reach beyond those enrolled in the certificate program.

## Who is accepted to TUTOR-PHC?

- CBPHC Team trainees\*
- Graduate students and post-doctoral fellows from Canadian Universities
- Mid-career clinicians
- Policy makers

## Why apply to TUTOR-PHC?

- FREE** primary health care research training – including travel to the Symposium
- Earn **University Credit & CME credits**
- Valuable **feedback** on your own primary health care research
- Mentorship** from experienced interdisciplinary primary health care researchers
- Interdisciplinary team experience**

**Deadline for Applications: October 31, 2014**

For more information, updates, and to apply to  
TUTOR-PHC for

2015-2016, go to our website:

**[www.uwo.ca/fammed/csrm/tutor-phc](http://www.uwo.ca/fammed/csrm/tutor-phc)**

\*While CBPHC Team trainees will be given preference, TUTOR-PHC selects its trainees via an open competition. All qualified primary health care researchers are invited and encouraged to apply.
